

12 Guidelines for Online Classes

<p>1 Attendance </p> <p>I understand attending online classes is not optional. Distance learning IS school</p>	<p>2 Location </p> <p>I will choose a location that is not distracting. I know a solid background is best (not an open close, etc.). I will not use Zoom backgrounds.</p>	<p>3 Dress </p> <p>I will follow the school dress code. I am in class! No PJ's allowed! Dress for success!</p>
<p>4 Behavior </p> <p>I will avoid distracting my classmates while the online class is in session.</p>	<p>5 Seating </p> <p>I will sit appropriately as if I am at school in class.</p>	<p>6 Eating </p> <p>I will not eat during our online class time.</p>
<p>7 Respect </p> <p>I will protect privacy rights and keep only myself visible on the screen. I will not record or take any screenshots.</p>	<p>8 Mute </p> <p>When logging on, I will mute my mic. I will keep in mind house noise (barking dogs, crying babies...) and stay muted unless the teacher tells me to unmute</p>	<p>9 Comments </p> <p>I will keep the comments section for questions for my teacher. I won't have side text conversations with my classmates unless instructed to do so.</p>
<p>10 Kindness </p> <p>I will be kind and courteous in class discussions. If someone is speaking, I will pause and listen.</p>	<p>11 Email </p> <p>I will check my email account regularly and reply through Google Classroom when asked.</p>	<p>12 Participation </p> <p>I will participate to the best of my ability in class. I know that being an active learner, even online, is more fun and educational!</p>
